

Ref: TSP Journal Subscription for Year 2018

Dear Sir/Madam:

As you may be aware, Tech Science Press strives to publish archival research journals in a number of frontier disciplines, and we are inviting you to check our recently updated web site and consider to subscribe to some or all of the journals that we publish.

Enclosed you shall find rates of different subscription packages for the calendar year 2018, including a deeply-discounted bundle subscription rate. We have done everything we could to maintain the 2018 rates to remain the same as the previous year.

To streamline the journal subscription, handling, and shipping process, Tech Science Press has created a business unit located in Henderson, NV, U.S.A.. Any future subscription related inquiries should be directed to this journal subscription department, and its contact information is provided below
